

HAURAKI MAVERICKS

Everyone loves a Maverick!

The people who stand out for being highly creative, approach things differently, are willing to take risks, break with conventions, re-write the rules of the game, continuously come up with the unexpected, and often in ways never been seen before.

And no matter how many hurdles and challenges faced, Mavericks are never swayed. Never, ever do they give up on pursuing goals and realising their dreams.

Uniting players from Auckland, Counties, Waikato and Bay of Plenty - this is who we are as the Hauraki MAVERICKS.

And in the the spirit of being a MAVERICK, we aren't just creative players with big dreams, we are doers. We get the job done. Together!

After all - team work makes the dream work.

We're the Mighty MAVERICKS. One Team. One Dream.
